### FEATURED GUEST MEDIUM

# Marilyn Mazzotta

http://readingsbymarilyn.com/

We are excited to have Marilyn Mazzotta returning for a third year. Marilyn inspired the room at last year's event and delighted the audience with her gift and compassion

For over 40 years, Marilyn has enjoyed working as a professional reader. She is a Reverend, lecturer, teacher, author, certified astrologer and a clairvoyant medium. She works internationally and has been featured in The Toronto Star, The Toronto Sun, MacLean's Magazine, The Hamilton Spectator, The Los Angeles Times, and The Atlanta Journal Newspaper and has made numerous radio and television appearances both in Canada and in the USA.

She has been a guest medium at Lily Dale Assembly in New York State, and provided her services at many private and corporate functions. This evening will be an exciting night as Marilyn will work as a medium, communicating with your loved ones, and bringing forth messages, to the audience as validation of eternal life. Many find this to be very healing, heartfelt, and often rewarding.
