

# Fairytale Adventures

A unique way of discovering your astrology chart. Each student will receive their personal chart, and a booklet all about them. Then in the class we will go through each sign, and discover their inner meanings. This is a fun way to learn the basics of astrology. All done through fairytales! What are the fairytales in your chart?

All registrations must submit their Birthdate, Time of Birth, and Place of Birth. If time is unknown please submit 3 major different events in your life, about 8 to 10 years apart from each event. Your booklet will be about 40 pages just about you!

I will be doing this workshop in 3 different locations for 2018. I will be also doing the service for each of these locations in the morning. So, come on out and make a day of it. Come to service, bring a quick snack, then let's do the workshop! These workshops will be held from 1:00 to 4:30 PM.
