

# MEDIUMSHIP MECHANICS

This will be a full course in mediumship. This 5 week course will empower you with tools and confidence to connect with spirit. Each class we will be connecting with spirit in some way, and there will be homework. Participation is of the utmost importance. This will be a small group of 10 people, which allows me to give more individual attention to attendees.

It is important to be able to attend all the classes. If your schedules are in conflict, perhaps wait for a later opportunity and allow someone else to gain the full benefits of this course. Should you be interested in this course, yet the timing will not work for you, simply inform me that you are, and I will keep a list for the next session.

The cost of this 5-week course (20 hours) is \$260.

## Course Requirements

All course times will commence on Sundays at 1 pm and finish at 5 pm. You will need to bring with you a black ink pen, and yourselves, nothing more. It is also important to be able to arrive at least 5 to 10 minutes early.
