

Runecaster

The Apprenticeship to Runecasting

An exciting workshop showing the novice the gift of this magical alphabet. We will be using *only* the Futhark set, which is 25 staves (24 symbol staves and one blank staff). One of the most enchanting things about runes, is how easily one can learn to read them for yourself as well as others.

This workshop is based on my book of runes written many years ago. Each participant will receive a copy of my book and some great insight.

You will need to invest in a set of Futhark Runes. You may find that wood or stone works a tad easier. Clay runes do tend to chip. Wise to also bring a cloth to read upon.

Date: Saturday, October 20, 2018

Time: 10:00 am to 5.30 pm

Location: QEW & Erin Mills Parkway
(Address will be given upon registration.)

Cost: \$120
