

MEDIUMSHIP MECHANICS[®]

This will be a full course in mediumship. This 4 week course will empower you with tools and confidence to connect with spirit. Each class we will be connecting with spirit in some way, and there will be homework. Participation is of the utmost importance. There are advantages of being in a large group. There are experiences that cannot happen in a small group. Likewise, the small group gives a more one on one experience. This will be a small group of 10 people. It is important to be able to attend all the classes, and if your schedules are in conflict, perhaps wait for a later opportunity, and allow someone else to gain the full benefits of this course. Should you be interested in this course, yet the timing will not work for you, simply inform me that you are and I will keep a list for the next session. The cost of these 4 weeks or 20 hours course is \$265.00.

Course Outline:

All course times will commence on Sundays at 12 pm and finish at 5 pm. You will need to bring with you a black ink pen, and yourselves, nothing more. It is also important to be able to arrive at least 5 to 10 mins. early.
