

Orillia Star of Hope Spiritualist Church presents ...

# The Art of Tea Leaf Readings

*guided by Reverend Marilyn Mazzotta*

**This will be an afternoon of fun and learning. We will all enjoy a cup of tea and learn how to read the tea leaves.**

**If you can bring your own cup and saucer following the description below, great! If not we will have some.**

**We will supply the snacks and notes, and guide you through an awesome afternoon!**

***April 27th, 2025 1:00 – 4:00PM***

The best shape of cup to use is one with a wider opening at the top and a bottom not too small.

Cups with almost perpendicular sides are very difficult to read, as the symbols cannot be seen properly, the same could be said of small cups.

A plain surface cup is the best and the interior should be white and have no patterns printed upon it.

Cost: \$40 (\$35 for members)
